★ Experience

Company	From	To
Heidelsoft Technologies *Senior Software Engineer* Jyothirmaya, Infopark PhaseII, Kochi, India.	June 2019	Present
Cabot Technology Solutions *Senior Software Engineer* Lulu cyber tower, Infopark Phase I, Kochi, India.	Sept 2016	June 2019
Cognizant Technology Solutions *Programmer Analyst* Athulya, Infopark Phase I, Kochi, India.	Feb 2014	Aug 2016
Art Technology Solutions *Software Engineer* Thapasya, Infopark Phase I, Kochi, India.	Oct 2010	Jan 2014

★ Skills

Programming Languages	Kotlin, Java, JavaScript, C#
Framework / Library	Android, Node.js, Angular, ReactJS, React Native, AWS(Cognito, RDS-MySQL, S3, Lambda), DotNetNuke, GCC Gtk+,ASP .Net
Databases	MySQL, SQLite, MSSQL
Tools	Git, GitHub, Jira, Gradle, Bitbucket CI/CD, Docker, Kubernetes(Basic), IntelliJ IDEA, Visual Studio, VSCode, PyCharm, WSL, Crucible, Ubuntu, Android Studio, Eclipse, Gimp, Genymotion
Basic Knowledge	Firebase-Firestore, Qt, Tizen, Shellscript, Kubernetes, Python, Django, WSL

★ Certification

Professional Scrum Master I	2023

★ Projects

Rentals

<u>Technologies</u>: Android, Node.js, AWS(Cognito, S3, RDS, Lambda)

The Rentals application streamlines rental business operations by managing customer details, instruments, and more. Complete solution for a rental business.

Experdoo

<u>Technologies</u>: Angular, Java, Spring, Postgres

A versatile web app streamlining service creation and acquisition via a unified platform. It caters to diverse domains, enabling providers to list services and customers to request and compare options efficiently.

Optimap

<u>Technologies</u>: Angular, X6 AntV

Optimap, used by Airbus, enables users to map aircraft creation processes, manage factory operations, and visualize projects distinctly through object-based navigation on a canvas interface.

★ Educational Qualifications

2006 - 2010	Bachelor of Engineering (Electronics and Communication) *(College of Engineering Munnar – CUSAT university)*

★ Achievements

Introduced Health Awareness Program

Implemented holistic wellness initiative at former workplace, fostering mental and physical health awareness through goal-driven strategies, executed at regular intervals.

Black Belt 3rd Dan in Kung-fu

I have been learning Kung-fu since 2004.

University High Jump Winner

In engineering studies, clinched top spot in High Jump at CUSAT University athletic meet.

During my schooling, I represented my district at the Kerala State School Athletics Meet.
